Responses from our Trainees

To summarize everything, what will you tell others about us?

"I benefited from the mentoring section by having a new idea of my business. There were a lot of standardized approaches that my business was missing out that I needed to include. I now feel secured and determined to move my business into years to come."

-Emcorp Healthcare Ltd

"It was an eye opener Entrepreneurial adventure, I learnt to dive in and access all that needs to be done, with this I know I can dive into any business and survive."

- Design Tier consulting

"The mentoring session helped me understand certain important elements to include in my plan. After my first draft, my mentor said it is shallow so he helped me write a more detail plan."

- Nawad Cashew Farms

"I managed to create a strong solid business plan which made realize and understand more about my business and how to go on to about it to realize its goals and turn it into a sustainable business."

- Brandt Media Art

How did your Mentor supported you the most during the Entrepreneurship Training?

My Mentor supported me by giving me useful advice needed to guide my steps to finalize a successful business plan. - CHERSOLA Ventures, Inc

He was very responsive. In addition, he taught me a lot of things I didn't know that were really helpful in developing my business model.

- Emcorp Healthcare Ltd

She was supportive and genuinely helpful from week 1. She was always reaching out and willing to help. - Eventify Limited

Mentor greatly assisted with weekly tasks, completing business plan and financial projections. I was able to learn new things about my business that I overlooked and those I wasn't aware of.
